Contacts for each organization will be responsible to the Moscow Renaissance Fair to ensure that all regulations are followed. They should be present during the Fair, especially during set up and check out, and are required to attend the mandatory meeting before the Fair (held approximately 2-3 weeks before the fair, date and time to be announced).

I have read the Moscow Renaissance Fair food vendor guidelines and affirm that the organization I represent will abide by them. The organization I represent is a local non-profit community group and funds raised from food and beverage sales at the Moscow Renaissance Fair will be used for community betterment.

The organization agrees to defend, indemnify, and hold harmless from any and all loss, cost, or expense Moscow Renaissance Fair, its employees, representatives, or agents, in connection with such vendor activity.

I understand that all of the regulations must be followed and that any infraction will be cause for a \$100 fine or immediate dismissal of the food booth from the Fair without the return of fees.
